

A close-up portrait of a woman with short, wavy brown hair, wearing black-rimmed glasses, a nose ring, a white collared shirt, and a dark tie with white polka dots. She is smiling warmly. The background is a plain, light-colored wall. A solid red vertical bar is on the left side of the image. A white rectangular box with a light green gradient is overlaid on the bottom left, containing text. An orange horizontal bar is at the very bottom.

About Liz McConnell, M.A.

- *Liz McConnell, M.A. (she/her or they/them) is a doctoral candidate in Clinical-Community Psychology at DePaul University in Chicago, IL. She is a research affiliate with Northwestern University's Institute for Sexual and Gender Minority Health and Wellbeing, where she completed a three-year F31 Fellowship Award from the National Institute on Drug Abuse. Liz's research focuses on socio-contextual influences on the health and wellbeing of intersectionally diverse sexual and gender minority populations using a variety of methodological approaches. Clinically, Liz works with clients from an integrative relational approach grounded in feminist, multicultural, and social justice values.*
