

2020 - 2021 Opportunities for Students & Alumni with Disabilities

The leading resource for high potential candidates

Rebranding disability through achievement

The Lime Network

Join Lime's career and professional development platform to gain access to the benefits below, plus search, and apply, for internship, co-op and full time career opportunities (as well as specific events) with our corporate partners as Lime Connect candidates - ensuring strong consideration. Membership in The Lime Network is a lifelong experience with a community of peers - high potential university students and alumni (including veterans) who just happen to have disabilities - rebranding disability through achievement together. **Join us @ www.limeconnect.com!**

Scholarships for Current University Students

- **BMO Capital Markets Lime Connect Equity Through Education Scholarship**
Selected students receive \$10,000, and those with an interest are considered for an internship. Candidates must be pursuing a degree in business/commerce, engineering, math, physics, statistics or a related discipline and interested in pursuing a career in Financial Services, with a focus on Capital Markets preferred. *Deadline to apply: February 14, 2021*
- **Google Lime Scholarship**
Google Lime Scholars receive \$10,000, attend the annual Google Scholars Retreat, and those with an interest are considered for an internship. Students must be studying a computer science, computer engineering, or a closely related field.
Deadline to apply: December 4, 2020

Corporate Recruitment Receptions

Currently hosted virtually for undergrads, MBAs, new grads *and* experienced professionals - these are outstanding opportunities to network one on one, build relationships & find career success. You'll indicate interest in specific roles and connect with representatives from our corporate partners.

- **Finance, Accounting, Consulting, Business Majors/New Grads:** Tuesday, September 15, 2020
- **CS/STEM Majors/New Grads:** Thursday, September 24, 2020
- **Communications, Media, Creative Majors/New Grads:** Thursday, October 8, 2020

The Lime Connect Fellowship Program

Designed for high-achieving sophomores at leading universities who happen to have disabilities.

- All expense-paid leadership & development symposium and partner dinner in New York
- Connect with corporate partners via networking events, career workshops & more for potential summer internships
- Ongoing professional development & personal coaching for internship and career success
- Lifelong benefits of *The Lime Connect Fellows Network*
- **Applications open in January 2021**

Professional Development

Join us for webinars, tele-seminars and workshops focused on leadership, disclosure of a disability, interview skills, overviews of career opportunities with corporate partners, etc. Lime Network members also have access to career coaching, strengths/career assessments & more.

Lime Connect is rebranding disability through achievement. We put talent first and disability second - and encourage students and alumni with all disabilities to take advantage of **The Lime Network**. Join today to learn more and apply for great opportunities, connect with peers and hear from us about special events like social events, on-campus receptions, office hours and "Dialogue on Disclosure" info sessions!
